

data sheet:

WallWrite® Wall-Mounted Workstation

The WallWrite® wall-mounted workstation provides a convenient writing surface and secure storage for sensitive documents or other small items. WallWrite adds a temporary desktop and storing station right where it's needed, and it folds up and out of the way when it's not in use. Each station includes a storage bin for pens, instruments, file folders, and similar supplies, and heavy-duty steel construction and a powder-coated finish make it extremely durable and easy to clean.

Wall-Mounted Workstation includes:

Optional lock

Magnetic closures keep door in place

Mounting hardware included

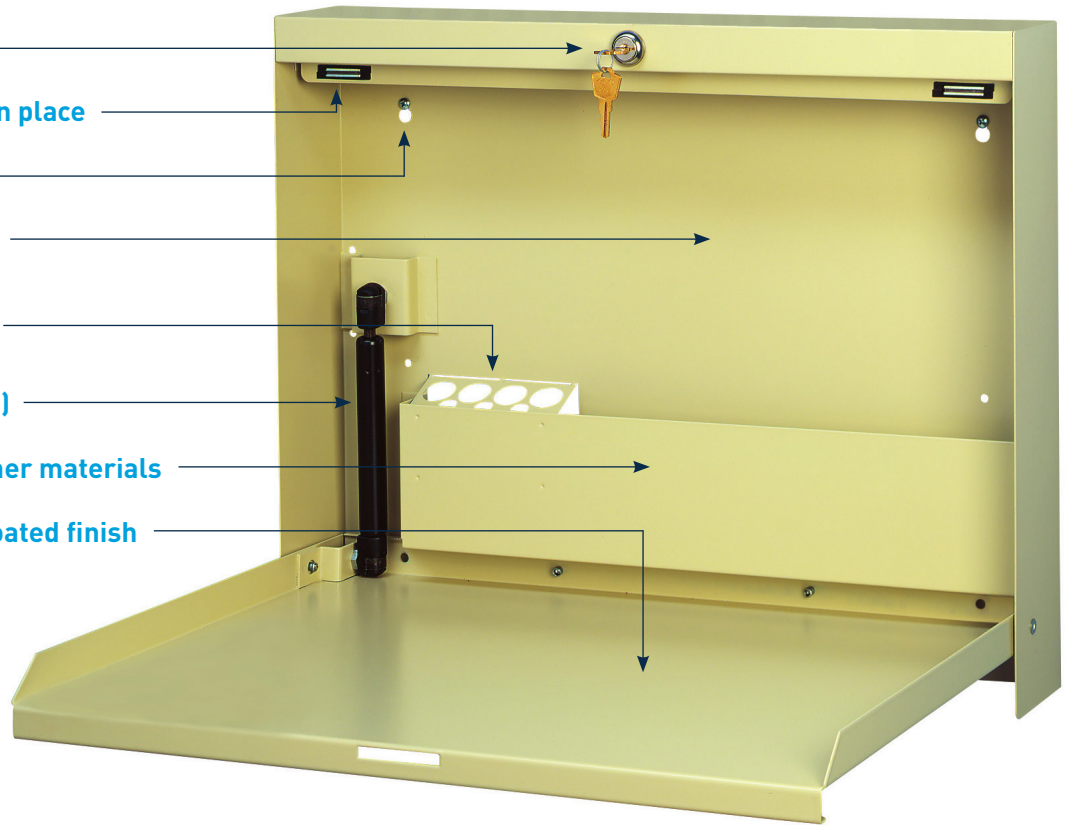

Heavy-duty steel construction

Holder for pens, instruments, small tools, or other supplies

Self-closing cylinder (optional)

Bin for charts, folders, and other materials

Durable, washable, powder-coated finish

Optional Accessories:

WW-100SC
Self-Closing Door

WallWrite® workstations are available in 15 standard paint colors, 12 standard laminate finishes. Custom match paint colors are available. Contact TAB for more information.

WallWrite® Workstations for Industrial & Commercial Applications

The WallWrite® wall-mounted workstation is ideal for high-traffic areas in industrial and commercial environments where temporary workspace is needed, including: loading docks, warehouses, factory floors, maintenance and supply rooms, inventory areas, public planning, shipping and receiving, and computer rooms. WallWrite stations can be installed virtually anywhere and can be mounted at a standing or seated height for maximum user convenience, and heavy-duty steel construction and a powder-coated finish allow it to stand up to rugged work environments.
