

Optimize Your Critical Information.

Organizations often struggle with organizing and accessing information, records, inventory, and other items essential to day-to-day business. TAB makes records, information, and physical items essential to your business easy to store, find, and use.

Optimize the way you work with physical records and materials to reduce risk, increase efficiency, and save money. TAB makes this easy with our wide range of products and solutions that can be customized to meet your specific requirements.

TAB offers filing systems and supplies, high-density storage products, smart lockers, weapon racks and storage, document scanning and indexing, and specialized software to manage records and inventories, along with improving document-intensive business processes.

■ For more than 70 years, our solutions have helped you:

- find what you need when you need it
- reduce costs and increase profitability
- manage risk and maintain compliance
- optimize physical file storage and access
- securely store business items and assets
- convert physical records to digital files
- manage the hybrid information environment

70+ years serving clients across North America

90 percent of Fortune 500 companies served

- TABQUIK Labeling Software

■ Storage Systems

TAB offers a wide range of storage solutions (from cabinets to rolling shelving) to help you store just about any physical objects you can imagine. Our solutions help you optimize your use of space, minimize real estate and storage costs, improve worker efficiency, and enhance security and compliance.

Products:

- Shelving & High-Density Mobile
- Filing & Storage Cabinets
- Traditional & Smart Lockers
- Weapons & Tech Storage

■ Professional Services

TAB experts can help you plan and execute information management programs and projects. Some of our offerings include records and information management program design and consulting, document imaging, and file moves. We'll help craft a solution specifically designed to solve your filing and storage challenges.

Solutions:

- Document Imaging Services
- File Conversions & Relocations
- Records Center Services
- File & Records Management Consulting

■ Technology Solutions

TAB FusionRMS manages the complete lifecycle of physical and digital records and documents to help you find, share, and manage your information from creation through disposition while enforcing records management governance.

About FusionRMS:

- Leading Records Management Software
- Manage Physical & Electronic Records
- SaaS and On-premises Solutions
- TAB FusionRMS Connect API
